Dear Sir,

Re: pending complaints dated 10.3.2014 , 30.8.2014 and petition MIS(s) 5913 of 2014 and continuous improper balance sheets irregularities by President/Secretary and continuous conversation/brwl which are made way to ROS complaints vide this letter

of Sri AYYAPPA SEWA SAMITHI (regd) file No. I_75557

The email conversations and complaint addressed to the Secretary after the said date of filing with High Court vide above case number. Until date I did not get any signed confirmation copy from the secretary. There are also many reminders from my side to the secretary on accounting and other topics too. None had been replied by the secretary and hence I am approaching you to nip the irregularities in the bud itself.

There is ample evidence that the president had not cooperated in the previous successful attempt of getting the renewal of registration at your end vide complaint dated 10.3.2014.

The irregularities regarding the conduct of AGM on September 21, 2014 and presentation of improper balance sheet of year 2012-13 and 2014-14, are given vide complaint to the secretary and copy to your good office on 17.10.2014

There was attempt to terminate my membership vide email correspondence without even a signed confirmation by post. Yet I had sent email replies to secretary. The attempt on termination of membership is illegal and improperly handled. There is a malicious attempt by the Samithi for this action and I request you to send notice to hear the parties and issue written order for contravening the provisions of act u/s 4[1]. since the last renewal by 31.7.2014.

I beg to the registrar that the pending complaints as well as the current one be sorted out at your end with due hearing and request you to stop the practice of calling AGM/ special General body meeting without discussing them in committee meetings against the provision of bye-laws of the society.

I request the Dy. Registrar, (ROSoc) to look into my complaints and call AGM with your order and your observers to sort out the issues of not obeying rules and regulations and contravening the provisions of Act. The entire list of members is also enclosed for your kind perusal.

Also please take action on the linked society Muthamizh Sangam Lucknow (I-68503).

Thanking you
Yours faithfully,

- (3) Regarding the issue of Mr. B.N. Venkataraman, executive committee has been watching his activities regularly. Mr.B.N.Venkataraman has been abusing executive committee & members. He has abused all the members as culprits for petty matters. This has been regularly born by the committee. Committee members have been giving suggestions not to use abusive language against honourable members. In addition he has regular practice of going to ROS with out settling his grievances within samiti. He was also trying put a case against Samiti. This is spoiling the image of the samiti. In view of the above charges, committee has asked him to give his explanation to the samithi within 21 days &also in the interest of the samithi, he should apologise and withdraw all cases so that the committee can continue the puja without stoppage. Neither he has been attending meetings nor taking part in the Mandala Puja. So for he has not heeded the suggestions given by the committee.

I am in receipt of first email from the secretary by late night (after 8 pm on 30.12.2014) and the second email BY 22.30 hrs on the same date on additional points (corrigendum) .

Ever since the the having team/s under the chairmanship of the current president, the minutes are devoid of deliberations and brawls taking place under the very nose of the meetings. This meeting of 28.12.2014 is also not an exception, The glaring omission of deliberation was that the treasurer feigned ignorance of proceedings of previous meeting regarding the 'vilakku fiasco' and said that he had no objection in giving consent for release of fund from the Samiti if proper procedure followed.

This sort of lacuna of devoid of deliberations fails to honour the real contributors of guidance of Samiti.

Regarding the matter concerning B N Venkataraman (self), as the matter has taken up to this stage, I require a signed confirmation copy of the minutes of meeting dated 28-12, for which I am ready for hand delivery at the secretary's residence or any other convenient place to avoid delay.

It is brought to the notice of the secretary that any posting/delivery before normal office hours say 5pm will be counted to be effective for any period from that date else it is counted from next working day. Hope you will hear to my request of giving signed confirmation copy.

I would like to quote 'Thiruvalluvar' regarding criticism.

will perish on his own if there is no criticism.

I received the information about me (B N Venkataraman) yesterday late night and on seeing the mails today early morning at 3.30 am I prepared my immediate reaction and requested secy to give me signed confirmation copy of the minutes.

Now in the evening I found that Secy has left and as jt secy i have to take charge.

I had already suggested to Vice president what the samiti can do in place of Secy on matters concerning with me.

I did not elaborate the further procedure to be adopted by the Samiti.

Subsequently i told my lawyer what i had suggested. He was annoyed with me. So the samiti can consult lawyers if you are seriously want to take action. All are time consuming procedures and in absence of any guidance, i will certainly respond to the secretary;s minutes in 21 dyas time that is by 19th January to all committee members

Other than matter concerning with me, if the committee wants me to convene meetings on any other matter, I am ready to oblige to act as secy.

please go through my forward and send in your comments on the minutes of meeting held on 28.12.2014

Dear Committee members,
Good morning and wish you all a happy pongal/Makara Sangranti

As per the the suggestion of Secretary Shri V V Subramanian, I had contacted the vice president and still after 15 days of meeting, I could not get at least the confirmation copy of minutes of meeting,

I had explained verbally the legal procedure for initiation of action against me for no fault of mine, Let the request/order from president or other committee member/s come for a meeting, I will convene for your convenience. I simply cannot issue notice on myself, taking charge of a secretary.

Without a formal notice from concerned official in a proper procedure, I am not obliged to give any explanation. Therefore the 19th January deadline as was self spoken, is null and void, in the absence of any authentication. So I postpone the sending of my formal reply to your minutes.

I am going out of station for next 5-6 days So I can give a brief reply (not exactly the complaints) running in about 10 pages, which is ready, in due course.

In the meantime, I request president/secretary to send in the signed minutes or photocopy of minutes book for my records, by post at the earliest, to proceed with the matter against me.

regards
God bless one and all

Following is the confirmation of text of email sent on 12.6.2015 to Secretary,
Registration file No. I-75557

Dear Secretary (VVS).

I would like to remind you that 90 days deadline for accounts statement/AGM is fast approaching and what is the stage of accounts statement of 2014-15 including TDS/interest accrual statement from bank on savings/FD deposits as of 31.3.2015

I also remind you that you had been convening AGM straight without committee meetings and there is no provision to call AGM without approval of committee or signed request by one third of members.

The Samithy under chairmanship of SGS is not adhering to this and you had been secretary since 2013.

Also renewal of registration is due

You have not put the agenda of discussing accounts since 2006 submitted for last year renewal of registration done under my signature You have not given me any opportunity to discuss in any committee even, when it was my baby until **2012**.

After wards it is present treasurer/Secy's baby. and in all these previous two years as well as hopefully just concluded 2014-15 are having Balance sheet problems even after due tallied receipt payments.

You had also pending termination of membership (of myself) show cause notice with due signature.

There is also writ petition No. MIS(s) 5913 of 2014 in High court with opposite parties as ROS, DyROS, secretary, president of Sri Ayyappa Sewa Samithi. You have never bothered to enquire what is the full content of WP and for due discussion in Samithi. Simply You caught hold of one word 'culprit' and had assumed it of SGS and he had shown your full strength on pouncing on me. It is the duty of president to identify the 'culprit', is it secy, treasurer or any other signatory or CA and so on.

Do you also want to follow Muthamizh Sangam wherein Secy had replied to my ROS complaints in personal capacity without convening AGM? and then on finally unable to bear my onslaught trying to silence me by saying I am not a member at all.

I am sending this email to all four email ids (one with vvs_lucknow@yahoo.com and another with smanian@rediffmail.com got undelivered) available with me and kindly reply.

bnv
jt. Secretary

continuation on 13.6.2015

It is paining to note that we have answered in writing for the following question of the ROS during previous renewal of registration.

(12) कृपया स्पष्ट करें कि कायवाही / चुनाव कायवाही 14 दिन के अंदर ही इस कार्यालय को क्यों नहीं प्रस्तुत क्यों गयी | [vide; 4(1) of Act]

To the above instruction of ROS we had cited the necessary reason and assured that in future it will be obeyed.

What is happening to such assurance. There was an AGM on 21st Sept. 2014, after the said date of application for renewal and dear secretary, you are one of the signatory to that undertaking.

It is the sheer contravention of the Societies registration act.

Yours faithfully,

B N Venkataraman
Joint Secretary

P.S. I would like to remind that:

I (B N Venkataraman) is the only secretary who made effort to convene executive committee meeting prior to AGM with detailed printed booklet of Annual report and balance sheet well before the deadline of 90 days and due to want of quorum, the adjourned AGM went on by 1st July 2001 and due filing was done within 14 days thereon. The other secretaries who filed beyond 90 days deadline, but at least filed were Shri K Rajamani (Union Bank), Shri R K Nair, (paper mill colony) and Shri P. Venugopal (Oxform). It is high time you leave way for B N V to be an administrator or Secretary.

(BnV).
